

Group	Monday	Tuesday	Wednesday	Thursday	Friday
3rd Grade Literacy	<p><u>SRA Corrective Reading Decoding A</u>: Lesson 6 Continued - Workbook exercises (word copying, matching sounds, matching and copying sounds, circle game), individual word reading checkout; Lesson 7 - Word pronunciation, sound introduction (h and f), say the sounds, word reading, sound pronunciations</p>	<p><u>SRA Corrective Reading Decoding A</u>: Lesson 7 Continued - Workbook exercises (sound dictation, word reading, matching sounds, matching and copying sounds, circle game); Mastery Test 2 (individual test)</p>	Lost snowman writing project	Lost snowman writing project	No group due to 3rd grade teachers keeping students for weekly classroom assessments
3rd Grade Literacy	<p><u>SRA Corrective Reading Decoding A</u>: Lesson 7 Continued - Workbook exercises (word completion, word reading, word copying, matching sounds, matching and copying sounds, circle game), individual word reading checkout; Mastery Test 2 (individual test); Lesson 8 - Word pronunciation, sound introduction (c), say the sounds</p>	<p><u>SRA Corrective Reading Decoding A</u>: Lesson 8 Continued - Word reading, sound pronunciations, workbook exercises (sound dictation, word completion, word reading, word copying, matching sounds, matching and copying sounds, circle game, individual word reading checkout</p>	Lost snowman writing project	Lost snowman writing project	No group due to 3rd grade teachers keeping students for weekly classroom assessments
4th Grade Literacy	<p><u>SRA Corrective Reading Decoding B1</u>: Lesson 6 Continued - Sound pronunciation, word reading, sound combination (ol), individual word reading test, sentence reading (quotations), sentence reading, individual reading checkouts, workbook exercises (writing letters for sounds, matching completion, circle game, sentence identification), independent student work in workbook</p>	<p><u>SRA Corrective Reading Decoding B1</u>: Lesson 7 - Letter sounds review, vowel sounds review, vowel sounds (short o, long o, short e, and long e), sound combinations (ch), letter sound (b), sound combinations (ing), word conversions, sound pronunciations, word reading</p>	Lost snowman writing project	Lost snowman writing project	Lost snowman writing project

5th Grade Math	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Subtracting fractions with unlike denominators, subtracting mixed numbers with like denominators (had to regroup within the problems), reducing fractions, long division, three-digit times one-digit multiplication; <u>Concepts and Applications Problems</u>: Comparing decimals, roman numerals, finding area and perimeter of a rectangle, finding average of given numbers, converting numbers from word form to standard form</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Multi-digit subtraction with regrouping, subtracting fractions with unlike denominators, long division, adding fractions with common denominators (had to regroup); <u>Concepts and Applications Problems</u>: Rounding whole numbers and decimals, comparing fractions, word problem involving money</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Adding fractions with like denominators (had to regroup), multi-addend addition with regrouping, renaming improper fractions as mixed numbers and mixed numbers as improper fractions, three-digit times two-digit multiplication; <u>Concepts and Applications Problems</u>: Word problems involving fractions, finding the area and perimeter of given figures, finding the average, converting numbers from written form to standard form and standard form to written form</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Multi-digit addition with regrouping, long division, adding decimals with regrouping, reducing fractions, renaming mixed numbers as improper fractions; Long Division to the thousands place review and practice</p>	<p><u>Rocket Math</u>: 2-minute multiplication progress monitoring assessment <u>Daily 5 Problems</u>: Multi-digit subtraction with regrouping, subtracting decimals with regrouping, adding fractions with unlike denominators, renaming improper fractions as mixed numbers; Long Division to the thousands place review and practice</p>
4th Grade Math	<p><u>Rocket Math</u>: 1-minute addition assessment <u>Daily 5 Problems</u>: Basic multiplication and division facts, two-digit times two-digit multiplication, long division; Long division with and without remainders (three-digit divided by one-digit)</p>	<p><u>Rocket Math</u>: 1-minute addition assessment <u>Daily 5 Problems</u>: Basic multiplication facts, long division, two-digit times two-digit multiplication, subtracting fractions with like denominators, subtracting mixed numbers with like denominators; Long division with and without remainders (three-digit divided by one-digit)</p>	<p><u>Rocket Math</u>: 1-minute addition assessment <u>Daily 5 Problems</u>: Multi-addend addition with regrouping, basic division facts, adding fractions with like denominators, multi-digit subtraction with regrouping; Long division with and without remainders (three-digit divided by one-digit)</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Multi-digit addition with regrouping, three-digit times one-digit, adding mixed numbers with like denominators, long division; Long division with and without remainders (three digit divided by one-digit)</p>	<p><u>Rocket Math</u>: 2-minute addition progress monitoring assessment <u>Daily 5 Problems</u>: Multi-digit subtraction with regrouping, long division, basic multiplication and division facts; Long division with and without remainders (three digit divided by one-digit)</p>
5th Grade Math	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Subtracting fractions with unlike denominators, subtracting mixed numbers with like denominators (had to regroup within the problems), reducing fractions, long division, three-digit times one-digit multiplication;</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Multi-digit subtraction with regrouping, subtracting fractions with unlike denominators, long division, adding fractions with common denominators (had to regroup); <u>Concepts and Applications Problems</u>: Rounding whole</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Adding fractions with like denominators (had to regroup), multi-addend addition with regrouping, renaming improper fractions as mixed numbers and mixed numbers as improper fractions, three-digit times two-digit multiplication;</p>	<p><u>Rocket Math</u>: 1-minute multiplication assessment <u>Daily 5 Problems</u>: Multi-digit addition with regrouping, long division, adding decimals with regrouping, reducing fractions, renaming mixed numbers as improper fractions; Long Division to the thousands place review and practice</p>	<p><u>Rocket Math</u>: 2-minute multiplication progress monitoring assessment <u>Daily 5 Problems</u>: Multi-digit subtraction with regrouping, subtracting decimals with regrouping, adding fractions with unlike denominators, renaming improper fractions as mixed numbers;</p>

	<p><u>Concepts and Applications Problems:</u> Comparing decimals, roman numerals, finding area and perimeter of a rectangle, finding average of given numbers, converting numbers from word form to standard form</p>	<p>numbers and decimals, comparing fractions, word problem involving money</p>	<p><u>Concepts and Applications Problems:</u> Word problems involving fractions, finding the area and perimeter of given figures, finding the average, converting numbers from written form to standard form and standard form to written form</p>		<p>Long Division to the thousands place review and practice</p>
3rd Grade Math	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Multi-digit addition with and without regrouping, basic multiplication and division facts (have to draw each fact to show understanding of process); Subtraction facts drill and practice; <u>Concepts and Applications Problems:</u> Writing fractions as decimals (tenths), reading a thermometer, even vs. odd numbers, converting numbers from word form to standard form, word problem involving money, comparing fractions</p>	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Basic multiplication facts (have to draw each fact to show understanding of process), multi-digit addition and subtraction with regrouping; <u>Concepts and Applications Problems:</u> Word problems, converting numbers from word form to standard form and standard form to word form, fractions, reading and interpreting a bar graph</p>	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Multi-digit subtraction with regrouping, basic multiplication and division facts, two-digit times one-digit multiplication; Subtraction facts drill and practice; Multi-digit addition and subtraction with regrouping (up the thousands place)</p>	<p><u>Rocket Math:</u> 2-minute addition assessment <u>Daily 5 Problems:</u> Basic multiplication and division facts, two-digit times one-digit multiplication, multi-digit subtraction with regrouping across zeros Multi-digit addition and subtraction with and without regrouping (up to the thousands place)</p>	<p>No group due to 3rd grade teachers keeping students for weekly classroom assessments</p>
4th Grade Literacy	<p><u>SRA Corrective Reading Comprehension A:</u> Lesson 1 Continued - Classification, Workbook exercises (description, some, all, or none, classification), Calendar: Months in a Year</p>	<p><u>SRA Corrective Reading Comprehension A:</u> Lesson 2 - Deductions with Nonsense Words, Deductions with All, Same with Color, Definitions, True-False, Statement Inference, Description</p>	<p>Lost snowman writing project</p>	<p>Lost snowman writing project</p>	<p>Lost snowman writing project</p>
4th Grade Math	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Basic multiplication and division facts, two-digit times two-digit multiplication, long division; Long division with and without</p>	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Basic multiplication facts, long division, two-digit times two-digit multiplication, subtracting fractions with like denominators, subtracting</p>	<p><u>Rocket Math:</u> 1-minute addition assessment <u>Daily 5 Problems:</u> Multi-addend addition with regrouping, basic division facts, adding fractions with like denominators, multi-digit subtraction with regrouping;</p>	<p><u>Rocket Math:</u> 1-minute multiplication assessment <u>Daily 5 Problems:</u> Multi-digit addition with regrouping, three-digit times one-digit, adding mixed numbers with like denominators, long division;</p>	<p><u>Rocket Math:</u> 2-minute addition progress monitoring assessment <u>Daily 5 Problems:</u> Multi-digit subtraction with regrouping, long division, basic multiplication and division facts; Long division with and without</p>

	remainders (three-digit divided by one-digit)	mixed numbers with like denominators; Long division with and without remainders (three-digit divided by one-digit)	Long division with and without remainders (three-digit divided by one-digit)	Long division with and without remainders (three digit divided by one-digit)	remainders (three digit divided by one-digit)
Tier 3	<p><u>Reading Comprehension:</u> Reading fluency, locating information in a passage to answer comprehension questions, synonyms and antonyms, passage vocabulary, composing topic sentences and supporting details; <u>Math:</u> Subtraction facts up to 19-a given single-digit number; multi-digit subtraction with regrouping across zeros</p>	<p><u>Reading Comprehension:</u> Reading fluency, making predictions and inferences, determining main idea supporting details of a passage; <u>Math:</u> Subtraction facts up to 19-a given single-digit number; multi-digit subtraction with regrouping across zeros</p>	<p><u>Reading Comprehension:</u> Reading fluency, passage vocabulary and word usage, answering comprehension questions in writing using CSRQ (Complete Sentence Restating the Question) <u>Math:</u> Subtraction facts up to 19-a given single-digit number; multi-digit subtraction with regrouping across zeros</p>	<p><u>Reading Comprehension:</u> Reading fluency, sequencing, summary writing <u>Math:</u> Subtraction facts up to 19-a given single-digit number; multi-digit subtraction with regrouping across zeros</p>	<p><u>Reading Comprehension:</u> 3 minute Daze reading comprehension progress monitoring passage; Reading fluency, passage comprehension <u>Math:</u> 2 minute multi-digit subtraction with regrouping progress monitoring assessment; Subtraction facts up to 19-a given single-digit number; multi-digit subtraction with regrouping across zeros</p>
