We practiced the words and the did dictation sentences.	
5th Grade Math	Rocket Math. 1 minute test. Daily 5 problems: subtracting fractions with unlike denominators, subtracting mixed numbers, reducing fractions, division, and multi-digit multiplication.	Rock Math 1 minute test. Daily 5 problems: subtraction with regrouping, subtracting fractions with unlike denominators, division, and adding mixed numbers. Worked on application problems.	Rocket Math. 1 minute test. Daily 5 problems: adding fractions with like denominators, adding multiple numbers, rename mixed number as improper and vice versa, and multi-digit multiplication. **Fire drill	Rocket Math. 2 minute test. Daily 5 problems: (Thursday)- addition with regrouping, adding decimals, division, reducing fractions, and renaming an improper fraction as a mixed number. Friday's daily 5 problems independently. Practice on division.	
4th Grade Math (Tier 3)	Rocket Math. 1 minute test. Daily 5 problems: multiplication facts, multiplying multi-digit numbers,, and division. Tier 3: subtraction facts, subtraction with regrouping.	Rocket Math. 1 minute test. Daily 5 problems: multi-digit multiplication, subtracting mixed numbers and fractions with like denominators, and division. Tier 3: subtraction facts, subtraction with regrouping.	Rocket Math. 1 minute test. Daily 5 problems: division, subtraction and addition with regrouping. Tier 3: subtraction facts and subtraction with regrouping.	I took Mrs. Sherrod's math group so she could administer the TONI exam on my tier 3 student.	

5th Grade Math	Rocket Math. 1 minute test. Daily 5 problems: subtracting fractions with unlike denominators, subtracting mixed numbers, reducing fractions, division, and multi-digit multiplication.	Rock Math 1 minute test. Daily 5 problems: subtraction with regrouping, division, and subtracting fractions with unlike denominators.	Rocket Math. 1 minute test. Daily 5 problems: adding fractions with like denominators, adding multiple numbers, rename mixed number as improper and vice versa, and multi-digit multiplication.	Rocket Math. 2 minute test. Daily 5 problems: (Thursday)- addition with regrouping, adding decimals, division, reducing fractions, and renaming an improper fraction as a mixed number. Friday's daily 5 problems independently. Practice on division.	
3rd Grade Math	Rocket Math 1 minute test and 2 minute test from last week. Daily 5 problems: division, multiplication, addition and subtraction with regrouping. Helped students with multiplication boxes from class work.	Rocket Math 1 minute test. Daily 5 problems: addition with regrouping, multiplication, division, and subtraction with regrouping. Worked on multiplication boxes from class.	Rocket Math. 1 minute test. Daily 5 problems: subtraction with regrouping, division, multiplication. Review on even and odd numbers and subtraction with regrouping.	Rocket Math. 2 minute test. Daily 5 problems: (Thursday) multiplication, division, multi-digit multiplication. Students worked Friday's 5 daily problems independently. Continued subtraction with regrouping practice.	
4th Grade Literacy	Drill work: vowel book, visual drill. Phonemic Awareness activity- Dig for Treasure, students identify objects in the rice and sort them by rhyming object names. Review short o and the jailbird word- was. Spelling word and dictation sentence quiz on the skill.	Drill work: vowel book, auditory buddy drill since one student was absent. Phonemic Awareness activity- Students will draw word card, once all the cards are drawn, they will pair them as rhyming words. Practice sentence writing on the glass with the words from the PA activity.	No group- late block.	Practice spelling test on classroom weekly words. No sort this week, just spelling the words. We practiced the words and the did dictation sentences.	
4th Grade Math	Rocket Math. 1 minute test. Daily 5 problems: division, multiplication facts and multi-digit multiplication. Continued working on applications probes.	Rocket Math. 1 minute test. Daily 5 problems: multi-digit multiplication, multiplication facts, division, subtracting fractions and mixed numbers with like denominators. Finished working the application problems. Worked division problems on the board.	Rocket Math. 1 minute tes. Daily 5 problems: adding multiple numbers, division, adding fractions with like denominators, and subtraction with regrouping. Review on division.	Rocket Math. 2 minute test. Daily 5 problems: (Thursday): addition with regrouping, multiplication, division, and adding mixed numbers with whole numbers. Finish up division practice.
